

# Plastic Free

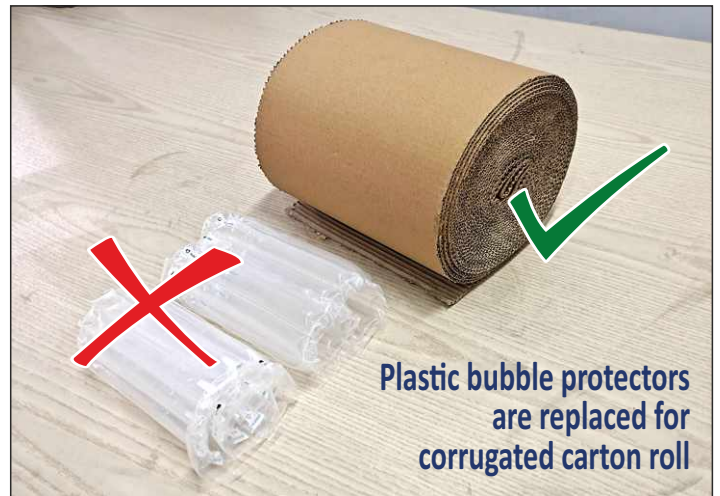

Powertek has made some fundamental changes to the way goods are wrapped and secured for delivery. Our mission is to lead the way in our industry to remove as much 'single use plastic' from the supply chain as possible.

All plastic bags for metal bracket mounting options are replaced for recycled paper bags

All plastic packing tape are replaced for recycled paper packing tape

Plastic bubble protectors are replaced for corrugated carton roll

Foam protectors for long PDUs is replaced for recycled molded pulp
